SIP Intern

Tentative Job Location :

Hub of the internship is the Mumbai head office but interns may be required to travel across the country to plant locations etc depending on the project assigned to them.

Projects will be well structured with specific goals required of the interns. Interns will receive projects from various departments such as HR, Sales & Marketing, Corporate Communication, Finance & Accounts, Supply Chain/Logistics, Procurement, Information Technology etc.

Interns will be assigned a mentor and ‘buddy’ to supervise their work during the project and guide them in achieving targets over the course of the internship.
