

Company : Sprinklr
Company Name : Sprinklr
Nature Of Business : IT
Designation : Intern-Product Engineer
Tentative Job Location : Gurgaon

Who We are: At a time when consumers are connected and empowered like never before, Sprinklr is helping the world's largest brands provide amazing experiences at every turn. Sprinklr offers a set of powerful social capabilities that allow our clients to reach, engage, and listen to customers across 24 social channels. We empower entire organizations to work together across social, marketing, advertising, research, and customer care to manage customer experience at scale. Most exciting, Sprinklr works with 50% of the Fortune 500 and nine of the world's 10 most valued brands, including McDonald's, Nestle, Nike, P&G, Shell, Samsung, and Visa.

At Sprinklr, we're customer-obsessed, treat one another like family, and take extreme pride in who we are and what we're building. It is core to who we are as a company.

What you will do:

Sprinklr is looking for Interns who have strong competencies in data structures and algorithms. So, if you desire to work on interesting projects which focus on code solutions that involve research and interactivity, Sprinklr is the best workplace to be in.

What makes you qualified:

- Ability to work both independently and in cooperation with others
- A sense of urgency and ownership over the product
- Thrives in open or ambiguous environments
- Great attitude towards work and people
- Intellectually curious and inventive

Description :

Why You'll Love Sprinklr: We offer a flexible work environment, unlimited vacation, and generous pay and benefits packages. While we have some amazing perks, at the end of the day, Sprinklr is here for the opportunity to grow, learn, and affect the industry with incredible ingenuity.

- We focus on our mission: We believe social technology is the future of customer-brand relations across all departments, and we seek to make each of those experiences excellent at every touchpoint. This is how we all make the world more social together.
- We invest in our people - Sprinklr passionately, genuinely care about seeing one another succeed in making an impact on the industry. We pride ourselves on having an honest, open environment and a supportive culture where we can take risks together
- We believe in our product - Sprinklr is the most complete enterprise social technology in the world, and we're not just saying that Forrester Wave said it for us! As such, we have many of the world's largest brands as our clients, and our employees have the opportunity to work closely alongside them.
