About ORAD Consultancy

ORAD Consultancy is one of the pioneers who provides customised and personalised English training and services using audio calls. We provide spoken English classes through one-to-one live practice sessions for personal grooming and personality development. Our brand name "ORAD" aims to aid more in an individual to create a better personality by boosting their confidence.

Our trainers work with our clients personally to help them learn through real-life, one-to-one conversations through observation, experimentation, and consistent practice in English.
